

Dear colleagues and Friends,

The 1st Endoscopic Sinonasal and Anterior Skull Base Surgery Workshop held at Police Hospital Srinagar Kashmir was a soul satisfying experience for me and I thank all and one for their successful efforts they put in to make the event a grand success.

Previous workshop enlightened and polished our knowledge of Sinonasal Endoscopic surgery. Encouraged by previous experience, we are conducting the 2nd edition of the Endoscopic Sinonasal and Anterior Skull Base surgery Workshop in the month of July 2010 on 19th & 20th at Police Hospital Srinagar, Kashmir. The workshop will cover live surgeries, lectures and discussions to share our views.

Kashmir is a paradise on earth for its scenic beauty. I extend my invitation to come and enjoy the gardens of pleasure and serene beauty of Kashmir in addition to a wonderful academic feast. We the organizing committee promises to put in all our efforts to make your visit a valuable endeavor.

Dr. Bilal A. Raja
Organizing Secretary

Dear Friends,

It is a matter of pride for Police Hospital Srinagar to have you as participants for 2nd Endoscopic Sinonasal & Anterior Skull Base Surgery Workshop to be held in the month of July 2010 on 19th & 20th.

The first edition of Endoscopic Sinonasal & Anterior Skull Base Surgery Workshop was conducted successfully last year and taking advantage of last year's experience, we will try our best to fill in all the lacunae's, if any left and make your participation comfortable and academically beneficial. I extend my invitation and look forward to your active participation in the said workshop.

We the organizing committee will put in our best efforts to make it a successful academic event.

Dr. Nadeem Nazir.
Coordinator.

Dear Friends,

After successful completion of 1st "Endoscopic Sinonasal & Anterior Skull Base Surgery workshop" at Police Hospital Srinagar in the year 2009, in which eminent ENT Endoscopic surgeons from all over the India participated and demonstrated their expertise, I feel pleasure in extending invitation to you for participation in "2nd Endoscopic Sinonasal & Anterior Skull Base Surgery workshop" being organized in the month of July 2010. I am sure that the academic contents of the conference will be useful not only to the experienced, but also to the young and upcoming ENT Surgeons. The workshop will also go a long way in helping the modernization of Police Hospitals in our State.

It is our endeavor to make this programe highly interactive. I hope the delegates will enjoy their stay in Kashmir and take back happy memories of the conference and the valley.

Kuldeep Khoda, IPS,
DGP J&K

Message from Chairman's Desk:

It gives me immense pleasure to invite you all to this wonderful workshop in the month of July when the beauty of Kashmir is usually at its peak.

Please come and enjoy the blossoming gardens, the lush green orchards, the mountain peaks, the picturesque Dal Lake and amazing waterfalls in addition to the wonderful hospitality of Kashmir. Dr. Bilal Raja is a young dynamic ENT surgeon from the valley who deserves all appreciation for organizing such types of workshops, the first such workshop was organized last year on FESS which was a grand success and that encouraged us to organize yet another workshop this year which is second of its kind in the valley, organized by a non- teaching institution. It will definitely go a long way in sending a message to the young ENT surgeons working at various places in non teaching institutions that they can also organize such CMEs if they show the courage which Dr. Bilal has shown. We are expecting a very good guest faculty from outside the state, who are leading experts in the field. We assure you a very good scientific programme that will benefit us all and last but not the least the famous Kashmiri wazwan. I take this opportunity to thank the Police Deptt., particularly the Director General of Police, Mr. Kuldeep Khoda Sahab for not only allowing the Dr. Bilal to organize this workshop in the police hospital but also for giving him full moral , logistic and financial support.

Waiting eagerly to see you in the workshop.

Prof. Rafiq Ahmad,
Organizing Chairman
